### The Maritime Academy of Asia & the Pacific (MAAP), Philippines presented a paper at the 2010 SEAAIR

FRIDAY, 29 OCTOBER 2010

The MoU Signing between PAEPI President and Rector of STIE Perbanas Surabaya (sitdown)

MOU signing between the Philippine Association of Extension Program Implementers, Inc (PAEPI) represented by Dr Angelica M Baylon, the PAEPI President/MAAP-DRES Director/PAIR Luzon Cluster Chairperson with office address at MAAP, Mariveles Bataan Philippines and STIE Perbanas represented by its Rector Prof Dr Tatik Suryani (Vice- President of SEAAIR) with office address in Surabaya Indonesia for International Research, Academics and Extension Services cooperation and collaborations, which is the essence and one of the objectives of the South East Asian Association for Institutional Research (SEAAIR). The MOU signing was witnessed by six faculty and staff from STIE Perbanas led by its Director Dr Djuwari M Hum and by nine PAEPI members led by Dr Judith Balares-Salamat and by the Philippine Association For Institutional Research (PAIR) President Dr Genaro Japos. At the outset, it is worth noting the inspiring congratulatory email dated October 26, 2010 by Prof Dr Nirham Idrus, one of the distinguished pioneers and founders of the 10-year old SEAAIR, from the Universiti Tun Abdul Razak, Kuala Lumpur Malaysia, to wit "I am very pleased that through your initiative you have signed an MOU with Perbanas from Indonesia during the conference. That was the first time such signing ever happened in the history of SEAAIR. So thank you and congratulations. I wish you and Perbanas will jointly work together for mutually satisfactory programs. You are a great proponent for strategic alliances and I wish the best in your endeavour in this and in introducing your institution MAAP to so many around The Philippines. I feel grateful that SEAAIR had been able to play a small part in these".

MAAP (admirably led by its President Vadm Eduardo Ma R Santos, AFP (Ret) was once again ably represented at the 10th Annual SEAAIR 2010 International Conference thru Dr Angelica M Baylon, the MAAP Research and Extension Services Director with her presentation entitled "Strengthening The Global-Asian Institutional Research Strategic Alliances For Academic Sustainability and Competitiveness: The MAAP Way. There is the
